

Fireman & Policeman And Mini Putt Security Guard

Dane Cook

When I was a little kid I thought I wanted to be a fireman.
I think a lot of guys- Did you wanna be a fireman when
You were a little kid? People ask you... What do you want to be
?

I wanna be a FIREMAN! I didn't really wanna be a fireman.
I thought I did. I just really wanted to spray shit with a hose
.

That's what I really wanted to do. I wanted to be like a spray-
man.

No I was fucking good. I'm not laughing. I was really good with
the hose.

I could make it look like if make it feel like it was raining.
If you closed your eyes, you would think it was raining.

That's how good I was. You'd be like Oh my god it is really rai-
ning.

It's very cold rain. That's how good I was and I'm not laughing
.

You're laughing, I'm not laughing. I could not be a fire-
If I go to a house and it was fully on fire. Fuck that! I quit.
I would just stand outside and watch it burn with everybody els-
e.

And the woman next to me be like... Please my son,
He's screaming in there. I'd be like Well he's probably on fire
!

That's what happens when you're on fire lady...
What are you doing out here? You fucking think for yourself.
Why didn't you make a map for him or something?

A policeman. I don't know how they do that job man.
What about those cops in New York. I just saw this on CNN a few
days ago.

In New York, these cops freaked out, they shot this guy like 15
times

Because they said they thought he had a grenade.

He was eating a pear! How do you fuck that up!

Unless he was eating it like OOOOO (takes bite, throws pear)
THAT'S A DELICIOUS PEAR!

I had one uh job that was kinda cop-like.

One summer I did uh security at a miniature golf course.

Just standing out in the sun all day...

Hey hey excuse me Sir get your putter out of the whale's ass!

Come one this is a place of miniature business.

This is not a playground, even though it looks like a playgroun-
d.
