

# The Nothing Fight

Dane Cook

Am I the only person here who loves to watch a couple  
Together that hates each others guts?  
That has to be the most entertaining thing when you see  
Two people that just hate each other... together,  
And look we've all been there everybodys been in that  
Situation where you will stay with somebody you don't  
Even like them. Two weeks in and already you like pshh,  
No way. I can't stand this peroson,  
I'll hang around for 5 or 6 years then we can end this  
Thing violantly. I got time. Girls you make the  
Craziest excuses to stay, your friends will try and get  
You out of it... Why don't you just go? Seriously Jill  
Just go, Jill? He's a jerk off. Just take your shit and  
like I can't just go Kim, it's not that simple,  
My cd's are in his truck I can't just walk away from 40  
Or 50 cd's. it's gonna take 2 or 3 more years of a abuse  
Until I can leave with my cd's That couple is the best,  
They fight over everything. Every little thing- huge  
Explosion. And it's not even about the thing, it's about  
The fact that they wanna stab eachother in the neck  
With a steak knife because they hate eachother's  
Existance. They get in what I call nothing fights.  
Fights about absolutely nothing. Right, you see them  
Waiting in line for the movie theatre. They hold hands,  
But it's not loving at all. it's like this rigamortis,  
Romatioid athritis, red rover grip that they got going  
On. And everything's an arguement. I should probably  
Bring my jacket, I might get cold.  
You bring your fucking jacket. Ya think. Do ya think?  
Yes. What if they're pumpin' AC in there, and then your  
Cold I have to go out and I miss the previews cause I  
Gotta get your fuckin' jacket. Bring your jacket.  
I love nothing fights. The best nothing fight I have  
Ever seen in my life. I was at the supermarket a few  
Months ago and I'm going down the aisle and I'm at the  
Stoffer's Fresh Bread Pizzas, and I'm deciding do I  
Want four cheese or one cheese. Cause sometimes, I like  
A lot of cheese. Sometimes, I like a dancing pluffera  
Of cheese in my mouth. And then sometimes, I'm into a  
More solo cheese adventure. Just a single, one on one.  
Me and one cheese. Then sometimes I want an orgy of  
Cheese on my plate. So as I'm standing there,  
Contemplating my cheese future, I hear the nothing  
Fight going on in the next aisle. I don't know exactly  
What they are saying, but I hear mumbles and grumbles.  
Ok. I hear the guy going "grumbles" and I hear the girl  
She's like [girl voice] "grumbles"care... \*more  
Grumbles\* care... I don't even care... even more  
"grumbles"care... [guy] "grumbles"... care. I don't even  
Care \*grumbles again\* care... I hear the nothing fight.  
I start getting so excited. I'm like I gotta go watch  
This, I gotta go see this. I'm so excited I leave my  
Cart. You never leave your cart. God forbid somebody  
Comes into the store and wants exactly that shit. And  
They're like What. Jackpot. This is everything I  
Wanted. I'm peeking around the Intimate cookies and I'm  
Watching the best nothing fight that I've ever been a

Part of. They're in eachother's face. Ok, and the guy  
Is saying to the girl and he's doing it like this Do we  
Have any jelly in the house? Do we or do we not have  
Jelly. You said we did last time. I'm looking in the  
Cabinets and I don't see any god damn jelly. I just  
Wanna know if we have any jelly in the house. And she's  
Egging him on, she's like [girl voice] I don't even like  
Jelly. I don't even like jelly. I get hives if I even  
Look at jelly. Wha--I don't even know about jelly. I've  
Never even--What is jelly. I don't even care. And he's  
Like I don't even give a shit about the hives. I want  
Jelly in the fuckin' house. Stat. Pronto. Tonite. I  
Don't give a--I will break your neck and pour jelly all  
Over your body and pray to the gods of jelly to burn  
Your soul in a jelly like hell. Now get the jelly!  
I'm so excited, I'm eating the Intimates out of the  
Box. I've opened a box and I am eating.  
I'll pay for it. Relax. I know you're concerned, but I  
Paid. This is the point during the nothing fight that I  
Like to get involved.  
I have to get involved and I have to say something.  
Just a little jab, a little poke that will fuel the  
Fire. And help take it to the next level. As they're  
Going back and forth, I walk buy them, I lean in, and I  
Go like this, hey dude, dude, dude, I know what you  
Mean about the jelly bro. Tell this twat to get jelly.  
Now.[guy] See, see! Get the jelly-Uh, what's that word  
Again? What, Twat! Good word. Thanks bro. I didn't ev- I  
Forgot about that word. GET THE JELLY TWAT! Great word  
Dude, great word. Twat. Yes.
