

# Don't Walk Away

Danger Danger

Once in your life,  
you find what you're looking for,  
a feeling you can't ignore, so right.  
Welcome to love,  
welcome to paradise,  
isn't it very nice, alright.

Even though,  
your havin' your doubts,  
we can still work it out,  
sometimes it's easy,  
sometimes it's not,  
but it's still worth a shot.  
Don't Walk Away,  
listen to your heart,  
hear what it says,  
'cause your heart won't lie. Ohhohoh...

Tears in your eyes,  
frozen upon your face,  
memories we can't replace, disappear.  
Nowhere to run,  
this time there's no place to hide,  
you're runnin' but your hands are tied, by fear.

Even though  
your havin' your doubts,  
we can still work it out,  
sometimes it's easy,  
sometimes it's not,  
but it's still worth a shot.

Don't Walk Away,  
listen to your heart,  
hear what it says,  
'cause your heart won't lie.  
Don't Walk Away,  
love never let you down,  
don't be afraid,  
you'll be alright.

Even though  
your havin' your doubts,  
we can still work it out,  
sometimes it's easy,  
sometimes it's not,  
but it's still worth a shot.  
Don't Walk Away,  
listen to your heart,  
hear what it says,  
'cause your heart won't lie.

Don't Walk Away,  
love never let you down,  
don't be afraid,  
you'll be alright.
