

# Ghost Of Love

Danger Danger

I Held The Gun, You Pulled The Trigger  
There Are No Saints Here, Only Sinners  
We Can't Forgive And We Can't Forget  
So We Pray For Salvation In Our Church Of Regret

One More Kiss, One More Lie  
One More Reason To Say Goodbye  
Oh We've Got No Alibi

Cause The Ghost Of Love Is Beating In Out Hearts  
Breathing On Our Shoulders, Tearing Us Apart  
Now Our World's On Fire And We're Dancing In The Dark  
With The Ghost Of Love, The Ghost Of Love  
Oh  
Oh

So Many Words Were Left Unspoken  
Unthrough The Silence, Left Us Broken  
When I Woke Up It Was Much Too Late  
I Saw Love's Apparition And I Knew It Was Fate

One More Day, One More Week  
One More Promise We'll Never Keep  
Oh Let's End This Gracefully

Cause The Ghost Of Love Is Beating In Out Hearts  
Breathing On Our Shoulders, Tearing Us Apart  
Now Our World's On Fire And We're Dancing In The Dark  
With The Ghost Of Love, The Ghost Of Love

Now This Crying Is Haunting  
The Only Sound I Hear Is The Rain  
And It's Always Falling  
But It Can't Wash Our Sins Away

Oh  
One More Kiss, One More Lie  
One More Reason To Say Goodbye  
We've Got No Alibi  
Oh Yeah

Cause The Ghost Of Love Is Beating In Out Hearts  
Breathing On Our Shoulders, Tearing Us Apart  
Now Our World's On Fire And We're Dancing In The Dark  
With The Ghost Of Love  
Oh

The Ghost Of Love Is Beating In Out Hearts  
Breathing On Our Shoulders, Tearing Us Apart  
Now Our World's On Fire And We're Dancing In The Dark  
With The Ghost Of Love, The Ghost Of Love  
Beating In Our Hearts  
Oh

Now Our World's On Fire And We're Dancing In The Dark  
With The Ghost Of Love, The Ghost Of Love  
The Ghost Of Love
