

Good Time

Danger Danger

Times are tough and we ain't got much
Don't sit around and fake it (fake it)
They say we can't do this and we can't do that
Well, I ain't gonna take it (take it)
I'm not givin' in, I ain't givin' up
Nobody tells me how to live
If I wanna stay out late, get outta my face
That's my prerogative
Don't let 'em (drop that bomb)
It's the same ol' story
(shoot you down) like they always do
Kick off your shoes (bang your drum)
There ain't nothin' wrong with a little fun

So if you wanna have a good time, it's alright (alright)
Everybody have a good time, It's alright (alright)
It's alright!

You spend your whole life playin' by the rules
Sometimes you gotta break 'em
So when you get your shots, like 'em or not
You better take 'em
Go ahead and (drop that dime)
In the jukebox baby
Play that song (like ya always do)
Kick off your shoes (bang your drum)
There ain't nothin' wrong with a little fun

(All work and no play)
I ain't no dull boy, Jack!
(What you do, is up to you)
You can have your cake and eat it!
