

Oh I can see it's gonna be a long day
And I'm sick and tired of this hell I pay
I please demand the explanation of why you do the thing
that you do
You ain't no politician, so get your hands off my neck

You always seem to piss me off
You don't know what I like
You always seem to piss me off

Oh I've been losin' my mind
I wait, and you just take sweet, little time
I please demands the explanation of why you set me up for
the fall
YOU've tried my patience, and I'm supposed to let you get
away with it all

You always seem to piss me off
You never seem to get it right
You always seem to piss me off
