

# I'm Not Dead

Daniel Bedingfield

The grim reaper tried to waste me  
The Almighty swayed his side  
That freaks me out  
But mostly I'm just glad to say  
I am alive  
I am alive  
I am alive

I'm not dead  
(Doo doo doo doo)  
I'm not dead  
(Doo doo doo doo)  
I'm not dead  
(Doo doo doo doo)  
I'm not dead  
(Doo doo doo doo)

Didn't die  
Still alive

I'm not dead  
(Doo doo doo doo)  
I'm not dead  
(Doo doo doo doo)  
I'm not dead  
(Doo doo doo doo)  
I'm not dead

You come when you're told  
You come when you're told  
You come when you're told  
You come when  
Shut out
