

# Love Again

Daniel Caesar

I wake from my slumber  
I wish I could call you up  
Miss how you put your love on me

Boy you got my number  
Wish I could feel your touch  
Wish you could follow up on me, oh

You never know when to chill  
Always talk 'bout keep it real  
Only 'til you've had your fill  
Then you want to cry I'll will  
Really thought you knew the diff' (Ooh)  
Oh well I guess that's what happens  
When two fools be falling in love  
Mix in some pain and some passion  
Nothing is ever enough

If you can, take my hand  
I promise we'll find love again  
Love again, yeah, yeah  
If you can, take my hand  
I promise we'll find love again, yeah (I promise)  
Ooh yeah

Ooh yeah, ooh yeah  
You don't even say what's up  
Round yo boys you act so tough  
Like you've never been in love  
If you don't quit actin' up  
Alone is where you gon' end up, I promise  
You may think that I'm crazy  
You should ask around 'bout me  
Put yo trust in me baby

I wake from my slumber  
I wish I could call you up  
Miss how you put your love on me

Boy you got my number  
Wish I could feel your touch  
Wish you could follow up on me, oh

Hold on 'til the end  
Hold on 'til you can't extend  
I be clingin' on to you  
I be clingin' on to you

And then begin again  
Orbitin' around and then  
Cycle back around for you  
Comin' back around to you  
I'm comin' back around

Even on your worse day  
Love you in the worst way (Worst way)  
Circlin' around for eternity

Goin' through the motions  
You're turning me, internally

Driftin' on my own again  
Reachin' out to hold your hand  
I wanna be alone with you

Can I be alone with you?

Can I be alone with you?

If you can, take my hand  
I promise we'll find love again  
Love again, uh huh  
If you can, take my hand  
I promise we'll find love again
