

Chord Organ Blues

Daniel Johnston

Everything's big in Texas
You know it is
I think I might have made a big mistake o o o
Chord organ blues
Chord organ blues

Singing those chord organ blues
Wherever I go it's a wild wind
Maybe someday it'll blow me back home again
Chord organ blues
Chord organ blues
Singing those chord organ blues

For every chord that is played
There is a word in my heart that has paid
'Cause my soul loves music
And it loves to hear it made
Singing those chord organ blues
