

So you think you've found the one
And she knows just how you feel
And you say that she's for real and she's fun
Well, that's all well and good
That's just the way it should be
To understand and be understood is to be free
So I think that you should go
Go on ahead
Take her in your arms and be wed

Go go go go you restless soul, you're going to find it
Go go go go you restless soul, you're going to find it

Yes, life's a bowl of cherries
You can have as many as you can carry
And someone once said that life is like a cow
But I don't know how that applies
But anyhow here we are all on this planet
Taking everything for granted
But I think you've caught on to something
Don't let go

Go go go go you restless soul, you're going to find it
Go go go go you restless soul, you're going to find it

Oh, yes you did, you found it
Oh, yes you did, you found it
Oh, yes you did, you found it.
