

Going Down

Daniel Johnston

I think of all the times
I felt so low
When I got to feeling better
I got naive
and thought that it would stay

Going down
Going down
Going down again

Feeling small, very small
All, all the time
Been feeling like this
Since junior high
When will it all stop

Going down
Going down
Going down again

Think that I once had it all [-a-ha-hall]
There's a man inside me
I'm gonna destroy
And he will be no more
He'll be dead and I'll be free
I'll unlock that door

Going down
Going down
Going down again
