It must have been It must have been It must have been a happy time The sun would shine The candy bars Kool Aid flowing like wine The comic books The TV shows The bubble gum The kitty cat I was a time traveler Listening to the heavenly laughter Laurie was always with me Ever after for ever, ever, ever, ever, ever, ever, ever, ever The picture drawing The pretend heroes My favorite was Captain America The little girl The flowers in the yard The dog and cat The welcome mat God told me to go out Singing my songs and what not Led me to the holy river baptism Holy, holy, holy, holy, holy, holy, holy The GI Joes The plastic monsters My dad's model airplanes Life magazines

The Bible stories Simba the Lion The King Kong

I was a cosmic child walking the second mile I had to defeat the aliens Bloody battle, fight to the finish Fight, fight, fight, fight

It must have been It must have been It must have been a happy time Time, time, time, time, time
