

I Had Lost My Mind

Daniel Johnston

I had lost my mind.
I lost my head for a while was off my rocker outta line,
outta wack.
See I had this tiny crack in my head
That slowly split open and my brain snoozed out,
Lyn' on the sidewalk and I didn't even know it.
I had lost my mind.

Why, i was sitting in the basement when I first realized
it was gone.
Got I my car rushed right over to the lost and found.
I said "pardon me but I seem to have lost my mind."
She said "Well can you identify it please?"
I said "Why sure its a cute little bugger
About yea big a little warped from the rain"
She said "Well then sir this must be your brain"
I said "Thank you ma'am I'm always losin' that dang
thing."

I had lost my mind.
