

# Loner

Daniel Johnston

I wish I could be as happy as you  
I wish I could have as much fun as you do  
I wish I could be your friend  
but I-I-I'm afraid.

I wish I had my own way  
but I rarely do  
but I wish I had my way with you  
I'm a loner  
Loner.  
Been a loner since high school - oh yeah  
and a loner ain't no fool - oh yeah  
I'm a loner - oh - eh - eheh .  
Be a loner in a crowded room - oh yeah  
take me to an ocean, I'll be loner still  
but I wish I could be your friend  
I'm a loner - uh - uh.

I'm a loner in my car - oh yeah  
sometimes it gets scary - oh yeah  
been a loner since high school - oh yeah  
and a loner ain't no fool - oh yeah  
But I wish I could be as happy as you  
and I wish I could have as much fun as you do  
I wish I could be your friend  
but I-I-I'm afraid  
I'm a loner  
I'm a loner - uh  
lone, lone, lone,  
lone, lone, lone, lone  
uh-uuh, uh-uuh, loner, uh  
I'm a loner...
