

Loner

Daniel Johnston

I wish I could be as happy as you
I wish I could have as much fun as you do
I wish I could be your friend
but I-I-I'm afraid.

I wish I had my own way
but I rarely do
but I wish I had my way with you
I'm a loner
Loner.
Been a loner since high school - oh yeah
and a loner ain't no fool - oh yeah
I'm a loner - oh - eh - eheh .
Be a loner in a crowded room - oh yeah
take me to an ocean, I'll be loner still
but I wish I could be your friend
I'm a loner - uh - uh.

I'm a loner in my car - oh yeah
sometimes it gets scary - oh yeah
been a loner since high school - oh yeah
and a loner ain't no fool - oh yeah
But I wish I could be as happy as you
and I wish I could have as much fun as you do
I wish I could be your friend
but I-I-I'm afraid
I'm a loner
I'm a loner - uh
lone, lone, lone,
lone, lone, lone, lone
uh-uuh, uh-uuh, loner, uh
I'm a loner...
