

# No More Pushing Joe Around

Daniel Johnston

Tell you what cigarette butt  
When I get back we're gonna have a boxing match  
No more pushing Joe around  
No more pushing Joe around  
There'll be no more pushing Joe around  
He's up and punching now  
You know they used to push Joe around  
You can only push him so far till he fell down  
But there'll be no more pushing Joe around  
No more pushing Joe around  
There'll be no more pushing Joe around  
He's up and punching now  
He knows how to be angry now  
Now ever since his nervous breakdown  
Everybody been pushing Joe around  
And he was always apologizing  
You could hit him in the face and he'd just say I'm  
sorry  
But now he's changed his story  
He's seen there's no glory in pain  
And he's come to like the sunshine better than the rain  
And he sees no need to explain  
He doesn't want to play the game  
No more pushing Joe around  
No more pushing Joe around  
There'll be no more pushing Joe around  
He's up and punching now  
And I'll tell you what sister in law  
I'm sorry I had to use your car  
But you were mean to me an awful lot  
You were crazy against me in your heart  
And I was wrong not to tell you that  
I let you go on thinking you were righteous  
But there'll be no more pushing Joe around  
He's up and punching now  
And I gotta say sweet angel  
I love you but you used me  
You had me on a string  
To get your lover to buy you a wedding ring  
And listen here mommy dear  
I get weak inside when you get near  
God bless you for all those years  
But this bird has flown ma no more tears  
There'll be No more pushing Joe around  
No more pushing Joe around  
There'll be no more pushing Joe around  
He's up and punching now  
He knows how to be angry now  
Yeah man I've got my friends  
Now I've got my own friends  
So if you don't want to be no friend of mine  
Then just stand here in this here line  
Cause I can't take rejection no more  
And I'm handing out the punches now  
Cause there'll be no more pushing Joe around  
No more pushing Joe around  
There'll be no more pushing Joe around

'Cause he's up and punching now  
He knows how to be angry now  
He's up and punching now  
He knows how to be angry now  
There'll be no more pushing Joe around  
I take it all back; I take it all back  
I take it all back; I take it all back
