

## Spirit World Rising

Daniel Johnston

I have been to Abilene  
The spirit world rising  
I have seen in Abilene  
The Devil has Texas

Purple rose they shall wear  
The spirit world rising  
The number on their forehead and hands  
The devil has Texas

From the sky the number seven  
The devil defeated  
In the sky the New Jerusalem

I have been to Abilene  
The spirit world rising  
I have seen in Abilene  
The Devil has Texas

The Spirit World Rising  
The Devil has Texas  
The Spirit World Rising  
The Devil has Texas
