

## The Creature-3rd Chair

Daniel Johnston

Love is Priceless  
And I'm still paying the bill  
I get to loving you so much  
It just ain't right sometimes  
The creature's panting through his gill  
Can't you see the pleading in his eyes?  
It says "If you want me to, I will"  
Just don't ask him why.  
She was my girl  
But now she's gone.
