

# The Sun Shines Down On Me

Daniel Johnston

I'm getting closer to the fact  
I've turned my back on silly dreams  
I'm walking down that lonely road  
And my heavy load  
I didn't bother to bring it

When the sun shines down on me  
I fell like I deserve it  
When the sun shines down

I'm hiding out where you can't see  
Behind the wall  
In the back of the room  
I'm crawling slowly through the dark  
And feeling for  
a punch line

When the sun shines down on me  
I want to feel like I deserve it  
When the sun shines down

I'm walking down that empty road  
But it ain't empty now  
because I'm on it  
And I'm getting closer to a home  
That I can carry  
and take home with me

When the sun shines down on me  
I feel like I have to earn it  
When the sun shines down
