

# Wicked World

Daniel Johnston

We have sinned so many times before  
We see no need to turn back now

We're the world, the wicked world  
Marching to hell  
We know what we're doing  
We're marching to hell

Come and join us - have some fun  
Dance in joy beneath the neon light

We're the world, the wicked world  
Marching to hell  
We know what we're doing  
We're marching to hell

We're the world the wicked world  
We do whatever we please  
Forget your cares, sow your wild oats  
Sin is a wonderful disease

Lie and steal, it's alright  
We have no worry for tomorrow

'Cause  
We're the world, the wicked world  
Marching to hell  
We know what we're doing  
We're marching to hell

We're the world, the wicked world  
We don't believe in God  
We don't believe in anything  
We find that idea to be rather odd

We pain ourselves as our bodies start to decay  
We're getting closer every day  
We have sinned so many times before  
We see no need to turn back now

'Cause  
We're the world, the wicked world  
Marching to hell  
We know what we're doing  
We're marching to hell

We know what we're doing, we're marching to hell
