

Without You

Daniel Johnston

Without you, I'll be doing fine
Without you, I'll be doing time
Without you, I'll be doing alright
Without you, I'll be alright
Without you, I'll be free at last
Without you, Life will be a gas
Without you, I'll be going fast
Without you, I'll be alright

Seems like you whip everybody at your pity party
Just to get your way at the stage you play
But I gotta get away
Without you, I'll be a magic spell
Without you, I'll escape hell
Without you, I'll be alright

Seems like you whip everybody at your pity party
Just to get your way at the stage you play
But I wish to see you die
Without you, I'll be a magic spell
Without you, I'll escape hell
Without you, I'll be doing well
Without you, I'll be alright
Without you, I'll be alright
Without you, Doing alright, Doing alright
Without you, I'll be doing alright, Doing alright!
