Waaargh!  
Where have you been you fuckface?

What do ya want me to do?  
Where are we gonna go?  
What the fuck do you want form me?

She's always coming back to me  
She's always..  
It's always..

What do you want???

You made me do things,  
You made me bleed now fuck me! Fuck me! Fuck off!  
What are you waiting for babe?  
Did I call your name?  
Demon of dream, you're making me weep  
You're make me weep weep weep weep

Reality's been knocking on my door  
For a while  
Reality's been penetrating dream  
Tonight
