

All We Need Is Love

Daniel Schuhmacher

All we, all we, all we, all we need is
all we need is love, love, love
all we, all we, all we, all we need is
all we need is love, love, love

There`s something going on in the world today
please tell me what is happening
I can`t believe all the things the people say
please tell me what is happening

Is it just me or tell me: do you feel it, too?
I gotta know the deal could someone tell me what to do?

Everybody wants to be someone and be strong
everybody wants to be someone
we all need someone to depend on

All we need is love, love, love
all we need is love, love, love
all we need is love, love, love
all we need is love
all we need is love

I thought that we would learn from past mistakes
war and hate is all the same
but it seems we got lost along the way
let`s start to play and make a change

We gotta stop it before it is too late
I gotta see the storm getting closer every day

Everybody wants to be...

All we need is love, love, love...

If you give and you`ll receive
you know love is all we need

All we, all we, all we, all we need is
all we need is love, love, love
All we, all we, all we, all we need is
all we need is love, love, love
All we need is love, love, love
all we need is love, love, love
all we need is love, love, love

All we need is love
all we need is love
