

Feel

Daniel Schuhmacher

Sometimes the journey
shows you no mercy
But you don't have to travel on your own
We can discover
the way with each other
friends don't ever let you walk alone
and it's your love
that saved me - here I am
a better man

You make me feel
You make me feel so strong
when the road is long
You make me feel
there's nothing that can't be done
cause you make me feel so
you make me feel so strong

If there's trouble I'll face it
a chance - I will take it
cause I know
that you're by my side
and it's your love
that made me who I am
now I'm a better man

You make me feel
You make me feel so strong
when the road is long
You make me feel
there's nothing that can't be done
cause you make me feel so
you make me feel
like nothing is impossible
with you I fell unstoppable
it's just the way you do the things you do
You make me feel so strong

You make me feel so strong
when the road is long
You make me feel
there's nothing that can't be done
cause you make me feel so
you make me feel so strong
