How Can I Be Sure

Daniel Schuhmacher

Baby why you're hurting me
Oh I can't stand the pain
I feel inside
Love is like an endless rope
Like fire and the rain
It hurts inside

Baby am I guilty, guilty for the pain
But if your heart is broken
Let us try again

How can I be sure
That you don't ignore
And I'm still in love with you
And I make your dreams come true

How can I be sure
You love me like before
And I'll be the only guy
Who is in your heart tonight

Babe I love you endlessly
Oh I know if on my heart
Beyond the tears
You and me till eternity
I never tear apart
Beyond the feels

Baby am I guilty, guilty for the pain
But if your heart is broken
Let us try again

How can I be sure
That you don't ignore
And I'm still in love with you
And I make your dreams come true

How can I be sure
You love me like before
And I'll be the only guy
Who is in your heart tonight

How can I be sure

How can I be sure
I love you endlessly
And I know I know I know it from my heart
How can I be sure
