

# On a New Wave

Daniel Schuhmacher

How does it feel somebody else  
How does it feel to live in a new world  
I'd really really really love to know love to know

Tell me everything about all this new thing  
And how to forget all that has been  
I'd really really really love to know love to know

Now you ride on a new wave while you're still sober  
Oh you run to a new place were it's not colder

Could you take me with you  
In total silence  
Could you take me with you  
They will forget me soon  
On a new wave  
On a new wave  
We can ride on ride on  
On a new wave  
On a new wave  
We move right on to  
a higher ground

How does it feel to be the king  
Cause your freedom is not surreal  
I'd really really really love to know love to know

Now you ride on a new wave while you're still sober  
Oh you live in new peace inside you're golden

Could you take me with you  
In total silence  
Could you take me with you  
They will forget me soon  
On a new wave  
On a new wave  
We can ride on ride on  
On a new wave  
On a new wave  
We move right on to  
a higher ground

oh oh oh oh  
oh oh oh oh  
oh oh oh oh  
oh oh oh oh

Could you take me with you  
In total silence  
Could you take me with you  
They will forget me soon  
On a new wave  
On a new wave  
We can ride on ride on  
On a new wave  
On a new wave  
We can ride on

On a new wave  
On a new wave  
We can ride on ride on  
On a new wave  
On a new wave  
We move right on to  
a higher ground
