

Born To Fly

Danielle Bradbery

I've been tellin' my dreams to the scarecrow
'Bout the places that I'd like to see
I said, friend do you think I'll ever get there
Ah, but he just stands there smilin' back at me

So I confessed my sins to the preacher
About the love I've been prayin' to find
Is there a brown eyed boy in my future, yeah
He says. Girl you've got nothin' but time

But how do you wait for heaven
And who has that much time
And how do you keep your feet on the ground
When you know, that you were born
You were born to fly

My daddy, he's grounded like the oak tree
My momma, she is steady as the sun
Oh you know I love my folks
But I keep starin' down the road
Just lookin' for my one chance to run

Hey, 'cause I will soar away like the blackbird
I will blow in the wind like a seed
I will plant my heart in the garden of my dreams
And I will grow up where I'll wander wild and free

But how do you wait for heaven
And who has that much time
And how do you keep your feet on the ground
When you know, that you were born
Yeah you were born
You were born to fly

So how do you wait for heaven
And who has that much time
And how do you keep your feet on the ground
When you know that you were born
You were born to fly... Fly
You were born to fly

You were born to fly
