

White Knuckle Ride

Danielle Dax

Crazy little Charlie took a trip on a big plane
A finger full of trigger as he heads for the sun
Ooh and though he's sure nothing
He's a dirty little bugger
With his brains on the run
Ooh, down a white knuckle ride
A-whoa-whoa-oh

Dance dance dance, little victim
Carnivore, carnivore
Dance dance dance, little victim
Carnivore, carnivore
Ooh, down a white knuckle ride

Crazy little Susie took a trip down with Charlie
And sold all her dreams for something kind of fun
Ooh and though she knows nothing
He's a dirty little killer
And it's her time that's come
Ooh, down a white knuckle ride
A-whoa-whoa-oh

Dance dance dance, little victim
Carnivore, carnivore
Dance dance dance, little victim
Carnivore, carnivore
Ooh, down a white knuckle ride

Ooh, down a white knuckle ride
