

Can't Behave

Danielle Peck

I got eyes in the back of my head
Your halo is turnin' red
Foolin' around knocking me off my cloud
They're talking about your mischievous ways
Boy it's painted all over your face
Stealing a kiss, mysterious whispers
A thorn in my pride
I'm still by your side but

One day I'm walking away
The tide is gonna turn I'm gonna find my place
Give me a reason to stay
I want to be your lover
Baby but you can't behave

Remember the days and the Nashville nights
What happened to paradise
Stolen away and I can't replace it now
Cause rumors are flying
That I can't avoid
Are they true or am I paranoid
Livin' like this is drivin' me crazy
So make up your mind
You're running out of time

Ease all of my worries
Please don't make me play the fool
Baby won't you hurry
You don't know what you're gonna lose cause

Oh baby but you can't behave
Oh baby but you can't behave
Baby you just can't behave
