## I Don't

**Danielle Peck** 

You say you're doin' better For your sake I hope it's true I wish you well But that's all that I can do Save your I'm sorries Just leave 'em at the door You can't make me feel guilty anymore

You say I should stay with you That Jesus forgives you You pray I will but I won't The difference is Jesus loves you I don't

I know it sounds cruel And it's really not like me But you've put me in a place I never thought I'd be These tears that I'm cryin' Are just tears of goodbye I hope you find someone else Somewhere in your life

You say I should stay with you That Jesus forgives you You pray I will but I won't The difference is Jesus loves you I don't

I don't wanna know you still want me Don't need to hear you can't sleep No I don't, no I don't

You say I should stay with you That Jesus forgives you You pray I will but I won't The difference is Jesus loves you I don't
