

# Is Anybody Listening...

Danity Kane

Waiting to see the light,  
Been waiting all my life,  
Show me a way,  
Won't you show me a way,

I wanna come out of the dark,  
But breaking away is so hard,  
Show me a way,  
Won't you show me a way,

Show me which way to go,  
Can't do this by myself,  
Can't do this oh oh no  
Don't know how I should play,  
The cards that I've been dealt.  
Can't do this, anybody.

Is anybody listening,  
Can anybody answer my prayers,  
Please say yes,  
Does anybody feel the same.  
And is there anybody who cares,  
Life's unfair, its so unfair.

I want something more than this,  
I've given all I can give,  
Show me the way,  
Won't you show me the way,

I just wanna feel I belong,  
I just need the strength to be strong,  
Show me a way,  
Won't you show me a way.

Show me which way to go,  
Can't do this all alone,  
I can't do this all alone.  
Don't feel like I know how,  
To make it on my own.

Is anybody listening,  
Can anybody answer my prayers,  
Please say yes,  
Does anybody feel the same.  
And is there anybody who cares,  
Life's unfair, its so unfair.

Is anybody listening,  
Oh oh oh oh oh oh oh oh,  
Is anybody listening,  
Oh oh oh oh oh oh oh oh,  
Can you hear me,  
Show me,  
Is anybody listening

Is anybody listening,  
Can anybody answer my prayers,

Please say yes,  
Does anybody feel the same.  
And is there anybody who cares,  
Life's unfair, its so unfair. (2x)
