

Rhythm of Love

Danity Kane

Your necessary, your very necessary, I need you like the air I breathe,
I need you near me, just got to have you near me, what to feel like a heartbeat,
You keep me going, don't want to keep me going, you put me in overtime,

Try not to show it, come on not to show it, but boy you stay on my mind

A cannon on a body, reaction, when I'm close to you (to you)
This is just your basic attraction, oh you feel it too,

Take my hand, take a chance, feel the rhythm of love, love,
Close your eyes, let's get lost in the rhythm of love, love,
Rhythm of love, love, love, rhythm of love, love, love
Close your eyes, let's get lost in the rhythm of love, love

Think I'm in heaven, if this isn't heaven, this is the closest that I (ever or never) be,
I'm tryna tell ya, the moment we together, it's messing with our sanity,
It's overrated, it's really overrated, but really we should do it now,
Your hesitating, quit hesitating, don't be afraid I show you how,

A cannon on a body, reaction, when I'm close to you (to you)
This is just your basic attraction, oh you feel it too,

Take my hand, take a chance, feel the rhythm of love, love,
Close your eyes, let's get lost in the rhythm of love, love,
Rhythm of love, love, love, rhythm of love, love, love
Close your eyes, let's get lost in the rhythm of love, love

Lost in the, lost in the, lost in,
Lost in the, lost in the (2x)

A cannon on a body, reaction, when I'm close to you (to you)
This is just your basic attraction, oh you feel it too,
(Lost in the, lost in the, lost in,
Lost in the, lost in the (2x)

Take my hand, take a chance, feel the rhythm of love, love,
Close your eyes, let's get lost in the rhythm of love, love,
Rhythm of love, love, love, rhythm of love, love, love
Close your eyes, let's get lost in the rhythm of love, love
