

# Sucka for Love

Danity Kane

I'm a sucker over love  
Smooth slick talk  
Anything he wants  
I could provide it, I'm a rider  
Fulfill your desire  
Tell you baby what you want uh uh  
I could be there if you want uh uh  
I could model that if you want uh uh  
This ain't it for them scary chicks  
I handle my businesses  
Say I don't know much but I know that  
Tonight I don't want to be alone  
Be alone, be alone, be alone, hey hey  
Say I gotta make some contact  
With you one on one

And everybody knows that I'm...  
I'm addicted to kissing and hugging  
Touching and rubbing  
I'm a sucker for love  
If you're addicted to kissing and hugging  
Touching and rubbing  
You're a sucker for love

I do my best to keep you here all night long  
I'm pulling out all my tricks  
Cause I don't ever want you going nowhere else  
For your fix  
You feeling that baby oh oh oh  
You're energy is so strong.  
It's our destiny  
Don't look back  
I want it like that at at  
Say I don't know much but I know that  
Tonight I don't want to be alone  
Be alone, be alone, be alone, hey hey  
Say I gotta make some contact  
With you one on one

And everybody knows that I'm...  
I'm addicted to kissing and hugging  
Touching and rubbing  
I'm a sucker for love  
If you're addicted to kissing and hugging  
Touching and rubbing  
You're a sucker for love

What you waiting for  
Baby move a little bit closer to me  
You know you're gonna  
I know you wanna  
So why don't you quit playing  
I want to see what you working with

You know I'm addicted to...  
I'm addicted to kissing and hugging  
Touching and rubbing

I'm a sucker for love  
If you're addicted to kissing and hugging  
Touching and rubbing  
You're a sucker for love
