

Touching My Body

Danity Kane

Would You Like That?
Do You Like That?
I Know You Like That!

Staring At Me All Night While I'm Out On The Floor
It Was Clear What You Wanted
So You Pushed Up On It

I Was Griding With The DJ With My Hands On The Floor
I Guess You Couldn't Take It
You Got Tired Of Waiting

So You Walked Over To Me
Breathing In My Ear Talking 'Bout What Could Be
Saying You Can Do This And That
And You Start Working Me Like A Champ
And I'm Like

Ohhh, You're Touching My Body
Ohhhh, You Just Want Me To Get Started
Boy I Can't Take It It's So Crazy
How You Making Me Feel

Ohhh, You'r Touching My Body
Ohhhh, You Just Want Me To Get Started
Boy I Can't Take It It's So Crazy
How You Making Me Feel

If I Want You More (Would You Like That?)
Keep It Nice And Warm (Do You Like That?)
Do It On The Floor (Do You Like That?)
I Wanna Give You Some More (I Know You Like That)

Now You Got Me Sweating dancing out of my clothes
I Was Heading For The Door
But You Made It So I Had To Know
Just What You Was Working With
And I Put It Up There Told You Come Get It
Now I'm The One That Can Handle It
The Way You Working Me Right On The Floor

So You Walked Over To Me
Breathing In My Ear Talking 'Bout What Could Be
Saying You Can Do This And That
And You Start Working Me Like A Champ
And I'm Like

Boy I Can't Take It It's So Crazy
How You Making Me Feel
