I Don't Care

Danko Jones

I don't care if the world is about to blow up
I don't care if people killing each other is fucked up
I don't care if the sky is falling or people going nuts
I don't care if they're saying that the stars are lining up
I don't care if the ground shakes & wants to guzzle us
I don't care if you and your girl are about to break up
I don't care if you relapse or people shooting up
I don't give a shit baby all I care about is if she's into me
Are you into me?

I don't care if the god damn system is corrupt
I don't care if you're sick and tired & about to give it up
If you only did half of what you say you're gonna do
I'd be more inclined to listen & believe it to be true
I don't care if the roof fell in or peeled off
I don't care if you got fired or have bad luck
I don't care if you think I'm full of crap or out to lunch
I just don't give a shit all I care about is if she's into me
Are you into me?
I think she's into me
Are you into me?

I want you to know – I want you to know
I can't take things slow
I want you to know
I can't take things slow
I want you to know
I can't take things slow
I want you to know
I can't let things go

I don't care if the world is about to blow up
I don't care if people killing each other is fucked up
I don't care if the sky is falling or people going nuts
You know I don't give a shit all I care about is if she's into me
Are you into me?
I think she's into me
Are you into me?

Let's do it again
I feel it – you feel it
I love it – you love it
I want it – you want it
Alright let's do this
You know you gotta get into this
Get into me
That's right that's right
Oh baby come over here

Let's do this
