

I'm Alive and on Fire

Danko Jones

My Mama made me sow my wild oats
I made love with a backstroke
Unafraid, unabashed, 'cause I'm proud
Let's get together for the rubdown

I'm alive
I'm alive
And I'm on
Fire

Alright, alright

I heard you got a hot date tonight
I got a date with dynamite
If you got the guts well light my match
I got an itch that you can scratch

'Cos I'm alive
I'm alive
And I'm on
Fire

I'm alive oh baby
I'm alive
And I'm on
Fire
