

## I'm Alive and on Fire

Danko Jones

My Mama made me sow my wild oats  
I made love with a backstroke  
Unafraid, unabashed, 'cause I'm proud  
Let's get together for the rubdown

I'm alive  
I'm alive  
And I'm on  
Fire

Alright, alright

I heard you got a hot date tonight  
I got a date with dynamite  
If you got the guts well light my match  
I got an itch that you can scratch

'Cos I'm alive  
I'm alive  
And I'm on  
Fire

I'm alive oh baby  
I'm alive  
And I'm on  
Fire
