

Just a Beautiful Day

Danko Jones

Woke up on the wrong side of bed again
Brings a little bit of luck but a whole lot of headache
Any my lady thinks I'm crazy cause the music's never ending
On the radio
Getting louder as the day goes

She's sure one to talk
With her skirt pulled up and high heels on
Everywhere there's another pair
Even in bed but I'm not complaining

It's a beautiful day
People on the street when the sun comes out
It's a beautiful day
Hot under the collar can't wait 'til the sun goes down

How many times do we have to fight
'Bout what gets played on the stereo at night
I like it slow & heavy
He likes it fast & soft
With a lot of bells and whistles going off but
I just want loud guitars
Every day got me in a haze
Even in bed but I'm not complaining

It's a beautiful day
People on the street when the sun comes out
It's a beautiful day
Hot under the collar can't wait 'til the sun goes down

It's a beautiful day
People on the street when the sun comes out
It's a beautiful day
Hot under the collar can't wait 'til the sun goes down

It's a beautiful day
People on the street when the sun comes out
It's a beautiful day
Hot under the collar can't wait 'til the sun goes down

It's a beautiful day
It's just a beautiful day
It's a beautiful day
It's just a beautiful day
It's a beautiful day
Another beautiful day
It's a beautiful day
