

Like Dynamite

Danko Jones

When I'm feeling under the weather
She's the only one that makes me better
I need her long legs wrapped around my head
People say she comes on strong
They don't know it turns me on
That's alright 'cause at the end of the day
Aw, she gets her way

'Cause when we make love - it's like dynamite
'Cause when we make love - it feels alright

When I need to get up and go out on tour
She's the one who makes it hard to walk out the door
I miss her being round whenever I'm out of town
And when I'm on the run home is where we meet for fun
That's how I end the nights
Aw, I'm getting mine

'Cause when we make love - it's like dynamite
'Cause when we make love - it feels alright

'Cause when we make love - it's like dynamite
'Cause when we make love - it feels alright

I don't need no more magazines
So douse us in gasoline

When I'm feeling under the weather
She's the only one that makes me better
I need her long legs wrapped around my head
People say she comes on strong
But they don't know it turns me on
That's alright 'cause at the end of the day
Aw, she gets her way

'Cause when we make love - it's like dynamite
'Cause when we make love - it feels alright

'Cause when we make love - it's like dynamite
'Cause when we make love - it feels alright
