

Papa

Danko Jones

Hello Miss World
And all you beautiful girls
New York to Chicago
London to Toronto
I think about you every night
The time we had felt so right
'Cause it's time for you to know
That it's time for me to go
And I'm leavin' now

Hey Papa
I'm just like you
Hey Papa
I'm a Rolling Stone too

I was born a lion
And like a cat I'm gonna dance
Barcelona to 'Frisko
Stockholm to Oslo
On the road is my religion
You gotta make a quick decision
'Cause it's time for you to know
That I'm leavin' now

Hey Papa
I'm just like you
Hey Papa
I'm a Rolling Stone too

Hey Papa
I'm just like you
Hey Papa
I'm a Rolling Stone too

Adhere to the call of the wind and the road
Don't look back baby and don't move slow
I know you want me for one more night
'Cause when we're together it just feels so right
One day I'm here the next I'm outta sight
Just let it be just let things take flight

Hey Papa
I'm a Rolling Stone
Hey Papa
I'm a Rolling Stone too
Yeah
Hey Papa
I'm a Rolling Stone too
