

# Back In Your Arms Again

Danni Leigh

Open the door  
Try me once more  
I'm not the one that you knew before  
If you'll let me stay  
I'll find a way  
Back in your arms again

I tried to hold on  
But you were too strong  
I gave you the world  
But my intentions were wrong  
If you'll let me stay  
I'll find a way  
Back in your arms again

Even fools get a second chance on love  
Only a fool would even need a second chance with you

Let down your guard  
Don't break my heart  
All that I want is to be where you are  
If you'll let me stay  
I'll find a way  
Back in your arms again

Even fools get a second chance on love  
Only a fool would even need a second chance with you

Let down your guard  
Don't break my heart  
All that I want is to be where you are  
If you'll let me stay  
I'll find a way  
Back in your arms again

If you'll let me stay  
I'll find a way  
Back in your arms again
