

# Don't Feel Like Crying

Danni Leigh

Is that you  
Looks like you've changed your ways again  
Is that you  
It's funny how I can't remember

Well, I knew you better than that  
At least I thought I knew you then  
But I know now  
It's not always a happy ending

But hey, here comes that rainy day again  
And hey, look at me  
I don't feel like crying  
And hey, here comes that rainy day again  
But hey, look at me  
I don't feel like crying

Who said love is a game  
And who said love can be gambled away

Is this me  
Looks like I've changed my ways again  
Is this me  
Funny how you can't remember

Well, you knew me better than that  
At least you thought you knew me then  
But you know now  
It's not always a happy ending

Hey, look at me  
Hey, look at me  
Hey, look at me  
Hey, look at me  
Hey, look at me  
Hey, look at me  
Hey, look at me
