

Touch Me

Danni Leigh

Touch me;
Touch the hand of a girl
Who once owned all the world.
Touch me;
Touch the arms that once held
All the charms of the world's sweetest man.
Touch me;
Maybe someday you may need to know
How it feels when you lose.
Touch me;
You'll know how you'd feel with the blues.

Watch me;
Watch the eyes that have seen
All the heartache and pain in the land.
And be thankful you're happy
Though standing so close
To the world's bluest girl.
Don't forget me;
Take a good look at someone
Who's lost everything she could lose.
Touch me;
You'll know how you'd feel with the blues.
