

# Disremembrance

Dannii Minogue

I feel so calm tonight  
Like I'm floating into space  
I feel my anger now  
Vanishing without a trace  
I feel so weak tonight  
I'm no longer in control  
I feel so different now  
That it's time to face my soul

You gave me the time  
To change the memories  
But if I forget myself  
Will you remember me?

(Remember me, Remember me)  
Will you remember me?  
Oh love, Oh love  
Will you remember me?

(Remember me, Remember me)  
Will you remember me?  
Oh love, Oh love  
Will you remember me?

I feel so bright tonight  
Like I'm glowing in the dark  
I feel so distant now  
Burning like the smallest spark  
I feel so faint tonight  
Like I'm hardly even there  
I feel much older now  
But I'm still too young to care

You gave me the hope  
That this was meant to be  
But if I forget myself  
Will you remember me?

(Remember me, Remember me)  
Will you remember me?  
Oh love, Oh love  
Will you remember me?

(Remember me, Remember me)  
Will you remember me?  
Oh love, Oh love  
Will you remember me?

Oh love

I feel so different now  
I feel so different now

I feel no fear tonight  
I feel no pain  
I don't know what I feel  
Or hope to gain

(Remember me, Remember me)  
Will you remember me?  
Oh love, Oh love  
Will you remember me?

(Remember me, Remember me)  
Will you remember me?  
Oh love, Oh love  
Will you remember me?
