

# If You Really

Dannii Minogue

(If you really) show me if you do  
(If you really) show me if you do  
Show me if you do, show me if you do  
Show me, show me if you do  
Show me (if you really wanna)  
Show me (if you really)  
Show me if you do, show me  
(If you really) show me if you do  
Show me (if you really)  
Show me if do

You've been thinking, I can read your mind  
Don't you want to, why can't you decide  
Don't hold back what you feel deep inside  
I'm not playing when I tell you how I feel  
Why can't you be for real  
'Cause I know what you want to feel  
All you have to do is tell me

(If you really want to you should let me know)  
Come on and show me  
(If you really need to let your feeling show)  
All you have to do  
(If you really want to let yourself go)  
You really want, your really want me  
You really want, your really want me

Show me, show me if you do  
Show me (if you really really)

Need someone to hold you through the night  
Make you feel good, just the way you like  
Don't pretend to be so innocent  
'Cause I'm not playing when I tell you how I feel  
Why can't you be for real  
'Cause I know what you want to feel  
All you have to do is tell me

(If you really want to you should let me know)  
Come on and show me  
(If you really need to let your feeling show)  
All you have to do  
(If you really want to let yourself go)  
You really want, your really want me  
You really want, your really want me

(If you really) show me if you do  
(If you really) show me if you do  
If you need to, if you need to  
All you have to do is tell me  
You really want, your really want me  
You really want, your really want me

Come on and show me  
(If you really want to you should let me know)  
Come on and show me  
(If you really need to let your feeling show)

All you have to do  
(If you really want to let yourself go)  
You really want, your really want me  
You really want, your really want me
