

# Perfection

Dannii Minogue

You're perfection  
(All that I want)  
You're perfection  
(Won't give you up)

He was standing in the middle, but thoughts of you remain  
Every time you leave me baby, I'm taken back again

You show me places that I've never been  
You give me love, I give you all I can!  
There's no doubt 'cause it's in everything that you do

You're perfection, you're all that I want  
There's a reason I won't give you up  
No, I can't lie- boy, you should know  
I'm achin' inside  
I'm achin' inside  
You're perfection, you're all that I want  
There's a reason I won't give you up  
No, I can't lie- boy, don't you know  
I'm achin' inside  
I'm achin' inside, for you

No more fears, no more confusion when you're in my life  
My mind is under no illusion  
Never felt so right

You show me places that I've never been  
You give me love, I give you all I can!

Boy you know you're so perfect  
How can you be so damn perfect?  
Boy you know you're so perfect  
How can you be so damn perfect?  
Boy, Boy, Boy, Boy, Boy (Perfection!)
