Lookin' at this pill in the middle of my palm Pop it, sip some cola, thirty minutes, it be on Staring at the sidekick, words come to me Rolling up the swisha, puffin' on the loosie Got a nigga focused feelin' all right With this type of feelin' I can write all night I never had a problem with payin' attention Popped the adderall then I wrote a verse in minutes Play this in your ipod, noddin' on vicodin Man, this shit legal, it must be alright then Nigga, yeah right, this shit even worse When doctor wrote prescription, your addiction was birthed Turn your kids to fiends with a drug called ritalin This is for my niggas popping xannies not rememberin' What they did last night Pills and orange tubes got the government right They say there's no stoppin' from starting oxycontins They in trailer parks sniffin' it with rolled dollars All about a dollar, baby killers in the world The ones that supply you when you gotta fuckin' cold

I can't feel
When I'm off this pill
No doubt I done them all
Xanny bars, adderall
My mind drifts
Let it dissolve in what I sipped
My soul blowin in the wind
Eat pills and vicodin

They say I might go out like heath ledger Laughin' at the joker of an antidepressant And if you can't sleep They got a pill for that Brown good in poppin' enzyte to get my dick fat Fags take hormones to grow a set of titties Got a pill to make your dick hard when you're sixty Now tell me do that add up, g, when they lock your ass up For a dimebag of weed Teen girls take birth control killing off the seeds Got her lookin' twenty when she only fifteen They got illegal ones like x and mescaline In my teens my homie took one, he did fifteen My granny turned out on them blood pressure pills And if she don't pop em, she might not be here But is it really helpin' make a nigga shed a tear I wonder, do they make a pill to take away your fears?

I can't feel
When I'm off this pill
No doubt I done them all
Xanny bars, adderall
My mind drifts
Let it dissolve in what I sipped
My soul blowin in the wind
Eat pills and vicodin
