

I Will

Danny Brown

Put a cup up put a four up in it
Sixes on that chevy with some hoes in it
Put a cup up put a four up in it
Sixes on that chevy with some hoes in it
What we won't do
Bitch I will

Take it off baby bend over let me see it
If u looking for a real pussy eater I can be it
So quit playing with me girl and bring that over here
Won't you climb aboard my face and put that pussy on my beard

I ain't tryna to take u shopping or buy yo ass some shoes
I'm just tryna lick that clit while I'm looking up at you
No shame in my game, girl, so look back at me
I don't give a fuck if it's shave or it's nappy

Long as it ain't nasty sanitation smelling
One whiff of that bitch I'm gone be bailing
If it's smelling sweet I'll lick it for a hour
And even it's sour might lick it in the shower

I go dumb and ignorant when I'm on that clitoris
Lick yo ass delirious my tongue game so damn serious
So bend that ass over lemme eat it from the back
That pussy so good have a nigga coming back

Oh that nigga scared lemme show you what it's bout
Spread apart the lips and put that clit up in my mouth
And that thang so juicy I'm a call it jamba
Licking it in circles got me calling me yo papa
Tongue going faster singing La Labamba
Trying to keep my rhythm like the bongos in samba
I'm a pussy monster blowing on that ganja
After I finish look like you was in a sauna
Toes curling up while you grabbing on the sheets
While I'm spitting on that pussy real sloppy when I eat
Slobbering on that pussy when I'm done I do not cuddle
I put that dick up on her make her sleep in the puddle
Bitch I ain't afraid I eat it up in public
Feet on the windshield broad day fuck it
69 in hotels with the lights on
Tongue worth a million I don't need ice on
Put a cup up put a four in it
Sixes on that chevy with some hoes in it
Them hoes playing they don't wanna fuck
I'm aput they ass out they gone be walking brah
And I'm swagged up I'm off a pill
Could fuck you for an hour cause I can't feel
And I'm swagged up I'm off a pill
Could fuck you for an hour cause I can't feel
