

# Shootin' Moves

Danny Brown

Piranhas, stay on my toes like orthodontists  
Dopeman Nikes, George Costanza  
Nigga it's colonic when I vomit  
Get in niggas ass  
You's a fag just for thinking gay  
Nigga you ain't Andre  
Better get an Hors D'oeuvre, nigga you a cold sore  
Lips of a prostitute, buff ass nigga  
Having trouble with the childproof, nigga outlined you  
Don't make me go back to that, nigga on a mongoose  
Rest in peace Ron Gook, sitting in a old school  
Smoking on some Goku, buds like Dragon Balls  
Tequila with the lime juice, times two cyborgs  
Smoking on some grapefruit, hoes come twice  
But it's three if I eat the cooch  
Peach coupe, no roof  
When my hoes coming through  
My bitches rap better than you  
So quit worrying about what I'm gon' do  
Cause I could give a flying fuck about what you doin'  
I'm shooting moves...

So nigga quit worrying, about what I'm doing  
Cause I could give a flying fuck about what you doing  
My nigga I'm shooting moves...  
So nigga quit worrying, about what I'm doing  
Cause I could give a flying fuck about what you doing  
My nigga I'm shootin' moves

Used to wait for the Dexter, smoking on that Newport  
Stacks in the phone posit, work in the Jansport  
Prayin for a personal, every time I go to court  
Eastland shopping bag, ho's at the food court  
Around the time you got your sounds put in that mammoth  
I was on Clairmount, 3 for 10 slangin'  
Shining like the silver on a Air Max '95  
Took this rap shit serious about in '05  
Got these niggas scared, ask them if I'm lyin'  
Because I shit on niggas bar for bar without trying  
Ain't in your top three? Then bitch you can't count  
Only thing that makes sense is dollar amount  
Ounce to the face, stank go to waste  
You still tryna find a place to record your mixtape  
...this ain't here for ya  
Even Jesus tried to break the teeth for droppin' vocals

So nigga quit worrying, about what I'm doing  
Cause I could give a flying fuck about what you doing  
My nigga I'm shooting moves...  
So nigga quit worrying, about what I'm doing  
Cause I could give a flying fuck about what you doing  
My nigga I'm shootin' moves
