

# Tell Me What I Don't Know

Danny Brown

Street smart, Ph.D  
Dropped out for a nigga degree  
Not on me  
Keep the doubles off me  
Cause we was living in shit  
Couldn't afford property  
Lil nigga getting fronting from OGs  
Oz of OG bagged up in the Pelle  
In a school hall way on a burner celly  
Leaving out of class early caught a cell for 20  
How long will they last?  
Never ending race, chasing cash  
One lane going wrong way til I crash  
Teacher find my sack, going nowhere fast

Tell me what I don't know  
Last night homie got killed at the liquor store  
Shot my nigga on the way to get a Swisher  
Breaking down the weed when the call got received

We was so ambitious  
All we really wanted was new Jordans and some bitches  
Flashing bankrolls in the club taking pictures  
Thinking we was grown men, really lil niggas  
Jumping dope fiends that's owing us for credit  
Taking turns catching shells things copacetic  
Slice your tomato if you owe us for the lettuce  
Running through the sack of D sorta like Jerome Bettis  
Now heed the outcome  
Hit the block, hit the stash and they found some  
Lock us all up for a bag of some  
Now we in the county writing letters I miss you

Tell me what I don't know  
Hood raid came through kicking down the front door  
Now we facing judge, got us sitting up in court  
Gave us all probation now we smoke Newports  
Tell me what I don't know  
Hood raid came through kicking down the front door  
Now we facing judge, got us sitting up in court  
Gave us all probation now we smoke Newports  
Tell me what I don't know  
Tell me what I don't know  
Tell me what I don't know  
Tell me what I don't know

And we was so gone ho  
Wet a nigga up like he got his poncho  
On the block all day chasing that cilantro  
Hood raid kicking on the front door  
It's like a cycle  
You get out, I go in, this is not the life for us  
It's like a cycle  
You get out, I go in, this is not the life for us

Tell me what I don't know  
Last night homie got killed at the liquor store

Shot my nigga on the way to get a Swisher  
Breaking down the weed when the call got received  
Tell me what I don't know  
Hood raid came through kicking down the front door  
Now we facing judge, got us sitting up in court  
Gave us all probation now we smoke Newports  
Tell me what I don't know  
Tell me what I don't know  
Tell me what I don't know  
Tell me what I don't know  
Tell me what I don't know  
Tell me what I don't know  
Tell me what I don't know  
Tell me what I don't know
